

COCOA HORIZONS FOUNDATIONS

Our Vegan Dark Chocolate Baton Bars are made in the UK using cocoa beans that are sourced through and supported by the Cocoa Horizons Foundation.

The mission to improve the livelihoods of cocoa farmers and their communities through the promotion of sustainable, entrepreneurial farming, improving productivity and community development.

The Horizons Foundation was established in 2015 to help shape a sustainable cocoa and chocolate future.

The foundation is funded via three main sources:

1. Through the purchase of sustainable Horizon cocoa.
2. Contributions from donors and partners.
3. Contributions from Barry Callebaut, the supplier of our bulk chocolate.

Using 71% cocoa, we have produced a chocolate that is both ethical and truly delicious and it suits the tastes of dark chocolate lovers.
